**ANNOUNCES ITS 2020-21**

# **VIRTUAL RACE SERIES**

Join the Alaska Skijoring and Pulk Association for its 2020-21 racing season happening outdoors virtually! This year we've taken this opportunity to schedule races on all new courses and to open each race for 1 week: race when you're able and avoid the coldest days of the year! Each race is self-timed: complete the course as many times as you would like and report your best time. Compete for the top prizes in 1 and 2 dog categories or participate for entry into the end of the season drawing. The more you compete the better the odds!

Sign up now at: [www.alaskaskijoring.org/store/](http://www.alaskaskijoring.org/store/)

Race information will be e-mailed and posted to Facebook 1 week prior to each scheduled race.
